Dear Supporters

Thank you very much for your kind donation of €300.00. Together with thousands of local volunteers and fundraisers, we are working to cure cancer faster.

Cancer Research UK is the world's leading charity dedicated to researching the causes, treatment and prevention of cancer. Our world-class doctors and scientists are working together to find new and effective treatments for cancer faster than ever before, and to prevent more people from developing the disease.

If you would like further information on fundraising or the work of Cancer Research UK, please do not hesitate to contact me on the above number or address.

Thank you once again for your valuable support. Together we will beat cancer.

Yours sincerely

On behalf of
