Best Practice Approaches to delivering Financial Control with Purchase-to-Pay (P2P)

Driving Collaborative Finance Roadshow

Best Practice Approaches to delivering Financial control with Purchase-to-Pay

Speaker Biography

Caroline Adams
Senior Finance Manager
Debenhams

Caroline has been a visionary in her field. An early adopter of process automation, Caroline was a major catalyst in driving forward the use of advanced invoice data capture for accounts payable back in 2006. Caroline has continued to drive process improvements and has also given generously of her time to show other organisations what has been achieved.
